| Sales unit: | 100 g |
| Material: | 80% Wolle/20% Polyamid |
| Length: | ca. 400 m |

Novita Viola Flora is a wonderfully colorful knitting yarn that draws inspiration from a summer garden in bloom. Use this ingeniously designed yarn to make richly patterned socks without having to change colour. The 4-ply yarn can be used to create lighter, less bulky socks and is perfect for other accessories too. It is crafted from 80% warm and cozy wool and 20% polyamide for enhanced strength. Viola Flora also works well when paired with the single-color Viola yarn. With 400 m of yarn per 100 g, a single skein is enough for a pair of socks even for larger feet. The recommended needle size is 3 mm (US 2.5). The gauge for this yarn is 28 stitches and 36 rows over 10x10 cm (4x4 in). Novita Viola Flora yarn is machine
