Product information

double pointed needle Mystic Sock Lace

Art.Nr.: mystic_dpn_addi / Brand: addi

Material: Aluminium eloxiert

Product information

High-quality sock knitting needles in a mystically shimmering colour, made from aluminium with the finest lace tips. The stitches glide effortlessly over the needles and the lace tips are ideal for the finest patterns and intricate details.

- Dark, shimmering needles provide contrast for light-coloured yarns
- Fine lace tips are perfect for demanding knitting techniques
- Solid metal needles are robust and durable

Of course, Made in Germany.

Material: aluminium multicolour anodized
