Material: Messing weißbronze

addiUnicorn Lace circular knitting needle

# Product information

Now with extra fine lace tips: The fine needle tips make it possible to knit delicate patterns and filigree techniques. The elegant, spiral structure massages the hands while knitting and the shiny, shimmering surface ensures magical knitting moments and gently gliding yarn. The magic of the unicorn!

- Recommended for fine yarns and patterns
- A perfect knitting needle for beginners and professionals
- Improved grip due to the spiral structure
- Also recommended for knitted fabrics with a tightly knit structure.

Of course, Made in Germany.

Material: Brass tips white bronzed (125 mm) with spiral structure, two lace tips, pink plastic rope
