Length:	ca. 140 m
Farbe:	schwarz

Felted Tweed Soft is a luxurious variation of our classic Felted Tweed. The blend of high-quality fibers—merino wool and alpaca—ensures softness and durability, while the tweed flecks add depth and character. Felted Tweed Soft is a thicker material that produces a warm yet lightweight knit while retaining the rustic, mottled look of the popular original. Available in ten of the best-selling Felted Tweed shades.
