Everyone deserves a soft, cozy knit! Novita Essentials has once again brought together more than 20 gorgeous slow fashion knits, this time for the whole family. The modern classic knitwear in the collection is designed to be timeless wardrobe favorites that you'll want to wear every day. Designed with love, the collection includes knitwear and accessories for children, women, men, and pets, for every style and age. With clear instructions and instructional knitting videos, even beginners can take on the challenge and knit their new favorite piece!
