DMC Mouliné Satin is known for its exceptional luster, silky-soft feel, and maximum color intensity. This premium embroidery thread was specially developed to give your embroidery projects a shimmering, satin finish—ideal for elegant patterns, fine details, and high-quality handwork.

The thread glides effortlessly through any fabric and ensures a particularly even, professional stitch appearance. Thanks to its high-quality fibers, it is durable, colorfast, and long-lasting, even with frequent use or washing. Mouliné Satin is the embroidery thread with the highest sheen offered by DMC.
