Product information

Mouliné Light Effects 8 m

Art.Nr.: 317w_dmc / Brand: DMC

Material:	100% Polyester
Sales unit:	8 m

Colours are faithfully reproduced so you can always complete a project using exactly the same colour.
Colour Palette

Available in many colours including a glow in the dark shade. Mouliné Light Effects is perfect for adding glamour to your work.

Colourfast dyes ensure your work can be washed at 30℃ without fear of the colour fading or bleeding.
Fade Resistance

Made with highly fade resistant dyes so your needlework can be enjoyed for generations to come.

Product information

Length

Sold in 8 metre skeins, its six strands separate easily. Add depth and fine details to your work by varying the number of strands you use.
Tip

Use alone or combine with stranded cotton for a hint of shimmer. For best stitching experience use shorter < 30cm lengths to prevent fraying.
