Novita 7 Veljestä Jouluraita is a multicolored and ingenious sock yarn that allows you to knit socks with even stripes in Christmas colors without changing colors. The yarn has the same composition as the single-color Novita 7 Veljestä yarn: 80% warm wool and 20% polyamide, which gives the yarn durability. 7 Veljestä Jouluraita is suitable for a wide range of knitting projects, especially wool socks. The recommended needle size for the yarn is 4 mm, and 3.5 mm for socks. The knitting density is 18 stitches and 26 rows per 10x10cm, depending on the pattern. A 150-gram ball contains 300 meters of yarn. The products are machine washable at 40 degrees. Novita 7 Veljestä Jouluraita yarn is a Key Flag product.
