Lopisápa is the exceptional soap from Ístex, developed in close collaboration with the renowned Icelandic soap manufacturer Sápusmiðjan. This eco-friendly soap is specially designed for hand-washing wool and other delicate materials, boasting gentle, nourishing properties.

The carefully crafted formula makes Lopisápa not only the perfect choice for the tender cleaning of your wool but also an ideal hand soap that pampers and protects your skin during use. Treat yourself and your knitting projects to the loving care they deserve. Discover the benefits of Lopisápa and experience how your wool is sustainably cared for while keeping your hands soft and smooth!
