Novita 7 Veljestä Original is a tribute to Finland's most beloved sock yarn. For decades, 7 Veljestä has been Finland's best-known and most popular yarn, and for good reason. Its popularity is due to its ideal composition and the right twist, which make the yarn versatile for a variety of knitting projects.

Why choose 7 Veljestä Original?

Product information

- The original composition loved by knitters: 75% warm wool and 25% durable polyamide.

- Limited edition campaign product, available for a limited time only.

- The larger 150 g ball size (300 m) is also sufficient for a pair of men's slipper socks.

- Available in ten popular and original colors.

In addition, the recommended needle size is 4 mm, and 3.5 mm for socks. The needle density 10 x 10 cm is 18 stitches and 26 rows (depending on handwriting). The yarn can be machine washed at 40 degrees. Novita 7 Veljestä Original is a Key Flag product.
