Imaya is a clever pocket insert designed to help you keep track of your knitting tools – beautifully and practically.

Created to fit perfectly inside the Betina XL case, Imaya brings an extra level of organisation to your knitting universe. Whether you use it with Betina XL or drop it into any other project bag, Imaya helps you keep your interchangeable needle tips and accessories neatly sorted.

Each pocket is marked with a number on the flap, so you can easily find the right size needle tip at a glance – no more guessing or rummaging. The flap also helps secure your tools in place, while the open pocket design makes everything
