Eco Vita 4 by DMC is a thick, tubular yarn made from recycled cotton, which is perfect for sustainable handicraft projects.

Whether you prefer macramé, knitting or crocheting, Eco Vita 4 makes it easy to create creative and environmentally conscious home accessories such as baskets, flower pots, cushions or lampshades. This yarn impresses not only with its quality, but also with its environmentally friendly production: it is made from recycled cotton that is left over as waste during textile production. This allows you to combine creativity and sustainability in a unique product.
