Eco Vita 4 Metallic by DMC is a yarn made from 100% recycled textile waste that impresses with its shimmering metallic effects.

This thick, tubular yarn is ideal for macramé, knitting and crocheting, allowing you to create stylish home accessories such as baskets, flower pots, cushions and lampshades. The metallic highlights woven into the yarn give your DIY projects a festive shine that provides eco-conscious glamour all year round. Whether for special occasions or as a stylish element in
