Double Sunday is our thickest yarn made from 100% Merino wool. A perfect base yarn: thick and not superwash treated. The yarn can be knitted with single or double strands. It also knits perfectly with Tynn Silk Mohair.

Merino wool not only provides excellent insulation, but the structure of its fibers also wicks moisture away from the body, retaining warmth even when damp. Wool can absorb up to 30% of its own weight in water before it feels wet.
