Product information

Sandnes Garn Duo

Art.Nr.: sg_3111 / Brand: Sandnes Garn

Sales unit:	50 g
Material:	55% Wolle/45% Baumwolle
Length:	ca. 115 m

Duo is a soft, year-round yarn. A good choice for those who find pure wool itchy. The wool content makes the yarn light, stretchy, and more warm than pure cotton. Cotton doesn't itch. The blend of merino wool and cotton makes this yarn a light and soft yarn with good insulation. A good choice for those who find pure wool itchy.

Our suppliers guarantee that our wool does not come from sheep that have been subjected to mulesing.
