Product information

Amadora

Art.Nr.: mf_455 / Brand: Mayflower

Sales unit:	100 g
Material:	100% Wolle
Length:	ca. 350 m

Amadora is a hand-dyed wool yarn made from extra-fine merino wool. The yarn is not solid, but rather has a semi-solid effect, giving the luxurious yarn a beautiful play of colors.

In addition to its beautiful colors, the yarn is also characterized by its exceptional softness. Extra-fine merino wool has finer fibers than regular merino wool, which gives the yarn even greater softness.
