Product information

Premium Sock Wool Ocean

Art.Nr.: mf_471 / Brand: Mayflower

Sales unit:	100 g
Material:	75% Wolle/25% Polyamid
Length:	ca. 420 m

Premium Sock Wool Ocean is an incredibly beautiful and durable sock yarn of exceptional quality.

The yarn has a beautiful striped pattern with carefully selected color combinations.

When knitting socks with Ocean, you'll get the best pair if you start both socks at the same color transition in the yarn. But even if you don't, the coordinated colors and cohesive pattern ensure that they still go well together as a pair.
