Product information

Sock Yarn Mars

Art.Nr.: mf_363 / Brand: Mayflower

Sales unit:	50 g
Material:	75% Wolle/25% Polyamid
Length:	ca. 210 m

Sock Yarn Universe is spun from a classic fibre blend of fine South American wool and durable polyamide. This results in a strong sock yarn that can be knitted into warm, durable socks that are machine washable.
Socks knitted with Mars Sock Yarn will not be 100% identical, but you can control the stripes and colours a little by starting sock no. 2 at the same place in the print as sock no. 1. The Universe series consists of sock yarn with beautiful prints and colours.
