Product information

Care and cleaning agent for leather
EFFEKTIV cleaning balm from muud for your leather bags and accessoriesKeep your leather bags and accessories looking their best by using muud clean on a regular basis. muud clean is a water-based care product that cleans and nourishes the surface of your precious leather items.Use the spray for care and cleaning of leather, suede, nubuck, synthetic skin, nylon mesh and other textile materials, rubber & plastic.How to use the spray:
Spray muud clean onto a clean sponge and rub to create a foam. Even though neither the sponge nor the foam appears dirty, muud clean cleans the leather and removes dirt and sweat from the skin. Leave for a few minutes, and then wipe off with a clean cloth, while still wet.When used on a regular basis, muud clean prolongs the life of the leather and helps to keep the skin soft and supple as the product contains the nutrients and antioxidants that the leather needs.Features
• Cleans and protects the surface and in-depth - in one easy application
• Prolongs the life of the leather
• Suitable for all leather typesSpecifications
Aqua (>50%), C12-14-alcohols ethoxylated
