Product information

This chunky wool cable vest keeps you warm in style during autumn weather. In between seasons, you can wear it like a short-sleeved sweater, and as winter approaches, it works perfectly as an extra layer over a knit dress. The Dale vest, designed by Sisko Sälpäkivi, is knitted in the round up to the armholes, and from there, the upper parts are worked flat separately. Finally, ribbed edges are knitted in the round for the neckline and armholes.
