Novita Nalle Taika is part of the Novita Nalle yarn family. When knitted, the many color tones of Nalle Taika create stripe-like design to the garment. The yarn is well suited for knitting socks but also for knitting different garments and accessories. Nalle Taika yarn contains 80 % wool and 20 % polyamide. A ball of 100 g contains around 260 meters of yarn. One ball is sufficient for a pair of basic socks up to size 38. Recommended needle size is 3.5 mm / US 4 and 3 mm / US 2-3 for socks. Our complete Nalle range is machine washable - gentle treatment. Novita Nalle is 6 ply yarn.
