Product information

Butterflies take flight! A thoughtful collection of six unique prints in our award-winning Signature 4ply. Designed using a stripes and sprays a dyeing technique, to create a colourful 'fluttering' effect throughout your makes.

Our superb Signature 4ply is made using a blend of wool that includes 35% Bluefaced Leicester for a luxurious feel, with a twist of nylon for added strength. This makes it ideal for projects such as hard-wearing socks, or stylish shawls with fantastic drape and softness. This yarn comes in a wide choice of solid shades including vibrant tones, classic colours and natural hues to suit all styles and stitches, whether you’re knitting plain, cable, rib or lace.

The wool has proudly won ‘Best Sock Yarn’ at the British Knitting and Crochet Awards for several years running.
