Product information

The Croft DK brings all the beauty, heritage and colourful landscape of The Shetland Isles into a stunning yarn made with high-quality sustainable fleece from the region. Created in association with Jamieson & Smith, the yarn is soft and strong, and has exceptional warmth ideal for beautiful jumpers, cardigans and accessories. This yarn works well with all types of knitting from plain stocking stitch to more intricate textures and cables. Available in a selection of natural, vibrant, classic and tweed shades with rustic flecks and beautiful fusions of colour.
