Product information

Anchor Crafty Fine Metallic Color

Art.Nr.: crafty_metallic_dmc / Brand: Anchor

Sales unit:	250 g
Material:	95% Baumwolle Polyester/5% metallische Fasern
Length:	ca. 65 m
Farbe:	grau

The viscose content makes the thread more supple than many pure fancy yarns, while the metallized polyester provides its characteristic sheen. This allows you to neatly work on small details, embellishments, and accents without making the project look heavy.
