Product information

Big Wool

Art.Nr.: big_wool_rw / Brand: Rowan

Sales unit:	100 g
Material:	100% Wolle
Length:	ca. 80 m

Big Wool takes the knitability of a super chunky and transforms it with pure Merino wool, raising the bar by which all other 'beginner' yarns are measured. Big Wool is not just for new knitters though. With a super light spin and paintbox colour palette, it's the perfect choice for speedy accessories and dramatic garments. Make a statement with a giant cable, get creative with colour combinations or cast on a super cosy accessory in the ultimate yarn for winter.
