This award-winning worsted-weight yarn is as versatile as it is popular. Knitters love its wide colour range, high quality pure wool fibre and soft handle. Its excellent stitch definition makes it an easy choice for lace, cables and texture, allowing even the most intricate stitch patterns to shine. With beautiful shades ranging from punchy brights to classic neutrals, the broad palette of Pure Wool Worsted appeals to colourwork lovers too. Knit it at worsted tension, or get playful, using larger or smaller needles for interesting effects—it's the ultimate can-do yarn.
