Sales unit:	50 g
Material:	57% Wolle/33% Polyacryl/10% Kaschmir
Length:	ca. 130 m
Farbe:	rosa

Baby Cashsoft Merino is soft to the touch and feather-like on the skin, making it ideal for babies and children. This cashmere-rich yarn is not just for little ones though. With its refined stitch definition and a palette that extends beyond classic baby colours to super-brights and dramatic black, this is a versatile option for any project calling for a lightweight yarn.
