Product information

Moordale

Art.Nr.: moordale_rw / Brand: Rowan

Sales unit:	100 g
Material:	70% Wolle/30% Alpaka
Length:	ca. 230 m

A truly British yarn, Moordale combines British wool and alpaca, with a range of neutrals and on-trend brights to choose from. The complimentary shades work beautifully together in colourwork, but shine equally when used on their own for lace, cables and texture. The fine micron wool and soft-to-the-touch alpaca give this yarn a robust but tender feel perfect for any season
