Product information

Selects Patina

Art.Nr.: selects_patina_rw / Brand: Rowan

Material:	46% Mohair/24% Nylon/20% Wolle/10% Polyester
Sales unit:	50 g
Length:	ca. 250 m

A palette of warm golds and delicate blues is a gorgeous choice for this spectacular yarn, which is shot through with metallic thread. Airy mohair and soft Merino wool are paired with nylon and polyester to create a blend that's comfortable to wear right next to the skin. Patina knits up to a classic DK tension, but has twice the meterage you'd expect from a yarn of this weight. This is a limited edition yarn.
