Product information

Merino Aria

Art.Nr.: merino_aria_rw / Brand: Rowan

Sales unit: 50 g
Length: ca. 85 m

Merino wool is loved by knitters for its soft feel and pure white natural colour, which takes dye beautifully. This chunky yarn with a soft halo is made of 100% Merino wool, so you can wear it against your skin with confidence. Merino Aria is a quick knit on 7mm needles too, and the chainette spin means it's super light to wear.
