Sales unit:	50 g
Material:	50% Wolle/25% Alpaka/25% Viskose
Length:	ca. 175 m

Inspired by nature’s landscapes, the varying shades of Felted Tweed Colour are truly captivating to knit and crochet. From subtle moorland russets and browns, to vibrant sunset pinks and fresh, grassy greens, the tweedy hues gradually evolve along the fibres at a gentle and unhurried pace. A stunning fair isle effect is created by simply working with two shades, while the perfect combination of 50% lightly-felted wool, 25% viscose and 25% alpaca makes this yarn equally ideal for delicate lace and sumptuous cables.
