Product information

Norwegian Wool

Art.Nr.: norwegian_wool_rw / Brand: Rowan

Material:	100% Wolle
Sales unit:	50 g
Length:	ca. 125 m

Roaming and grazing freely on the hills and natural pastures, Norwegian sheep produce one of the most eco- and animal-friendly textile fibres in the world. The durable and hardy fleece is expertly spun in an Italian mill to produce a 100% wool yarn that gives depth and structure to knitwear, while maintaining a soft hand. With a palette of colours selected by ARNE & CARLOS, Norwegian Wool blends modern colour trends with the long-standing heritage of traditional Norwegian patterning.
