Kidsilk Haze Colour is the next generation of a much-loved yarn. Like it’s sister yarn, it is a dreamy blend of kid mohair and soft silk and is as light as air. The palette of stunning shades gently blends through washes of colour creating a stunning effect, almost watercolour-like. The generous 420m on a 50g ball means this yarn will go a long way and is ideal for accessories. The varying shades are captivating to knit or crochet. Simplicity will show off this yarn to its full effect.
