Material:	37% Alpaka/37% Wolle/13% Polyamide/9%Baumwolle/4% Polyester
Sales unit:	50 g
Length:	ca. 215 m

Fine Tweed Haze is a finer version of our cherished Tweed Haze. With a very similar blend – including superfine alpaca and extra fine merino wool – this dreamy yarn boasts the same contemporary tweed look. Its beautiful haze is punctuated with contrasting tweedy flecks making it an interesting choice for single-colour designs, whilst also being perfect for lightweight colourwork - the beautifully balanced palette is ideal for creating compelling Fair Isles.
