Product information

With Woolly Hugs World Record Sock Yarn, you'll become part of a unique knitting project with a heart. This special sock yarn will be released at the start of the world record attempt at the end of March at the Swiss Yarn Festival, where knitting enthusiasts hope to make history together.

The goal of the campaign is to surpass the current record of 35,500 pairs of hand-knitted socks—while also sending a strong message against homelessness. Every knitted sock counts: Once the project is complete, the socks will be donated to cold-weather buses, aid buses, and stationary assistance centers in Germany and Switzerland.

The high-quality Woolly Hugs sock yarn is ideal for durable, warm socks suitable for everyday wear.
