addiCraSySnake Charity double-pointed needles

Secure hold for loose stitches. The ergonomic shape fits comfortably in the hand - ideal for longer knitting sessions.

Whether you want to knit elegant socks or fine cable patterns. With the wavy needles addiSnake Charity, knitting has never been so pleasant! The structure ensures that stitches stay securely on the needle - without losing any stitches. Beginners and loose knitters in particular benefit from the control. An innovative development with CraSy - Sylvie Rasch.

- The wavy shape ensures a firm grip
- The needles do not slip out of the stitches – even with a particularly loose stitch pattern
- Fine lace tips are perfect for demanding knitting techniques
- Solid metal needles are robust and durable

Of course, Made in Germany.

Material: Aluminium
