Golden Socks Retro Merino Extra Fine 100g is a sock yarn that combines timeless retro charm with modern comfort. The blend of extra-fine merino wool and polyamide ensures exceptional softness, high durability, and a comfortable fit—ideal for socks and versatile knitting projects.

The distinctive melange effect gives every knitted piece a vibrant, slightly hand-dyed look and highlights the nostalgic style of the Retro collection. The harmoniously coordinated color combinations also pair perfectly with our standard Retro series, such as Merino Pur 125 Retro and Merino Pur 85 Retro.
