Knitting just got more beautiful. KnitPro Symfonie 2 Single Pointed Knitting Needles bring seven vibrant rainbow shades and the signature chevron pattern to your hands, making every project as visually satisfying as the finished piece.

Crafted from premium laminated birchwood, these knitting needles are lightweight yet exceptionally strong, handling everything from delicate lace to chunky winter knits with ease. The beautifully polished surface lets stitches glide effortlessly, while precision laser markings and perfectly tapered tips give you accurate sizing and excellent yarn control, row after row.
