HALO is a knitting yarn from myboshi (25 g/200 m) that immediately adds a subtle halo effect and more depth to the base yarn – perfect for mohair styling. Available in many trendy colorways, ideally combinable with other myboshi qualities. Suitable as an add-on sales driver in small retail spaces.

HALO is the plus for your yarn shelf. Instantly visible, impulse-friendly, and sales-boosting, HALO creates additional stock turnover and real value for your customers. The compact wool yarn really elevates knitting baskets and gives base yarns a soft glow – the halo effect that immediately enhances projects.
