Sales unit:	2 St
Material:	Holz

Explore the new KnitPro Symfonie 2 Interchangeable Circular Knitting Needles, now in seven vibrant shades of green, yellow, orange, red, pink, purple and blue, arranged in the beloved chevron pattern in premium laminated birchwood. The layered wood construction delivers natural warmth, exceptional strength and a silky-smooth surface that is gentle on hands and kind to all yarn types. Perfectly balanced tips ensure effortless stitch glide and precise control. Precision laser markings on the knitting needles keep the size always visible.

Swap tips effortlessly onto ultra-flex, memory-free stainless steel cables with a 360-degree swivel mechanism for a smooth, kink-free experience across any project length. Designed for knitters who value performance with personality, Symfonie 2 Interchangeable circular needles transform every project into a vibrant, joyful and creatively satisfying experience.
