Product information

Mango Double Pointed Needles

Art.Nr.: lk_mango_nadelspiele / Brand: Pro Lana

Sales unit:	1 St.
Material:	Mangoholz

The double-pointed needles from the Pro Lana Mango Line are made from high-quality mango wood and impress with their natural look and pleasant feel. The wood is particularly light and feels warm in the hand, making even longer knitting projects comfortable to work on. The finely sanded surface ensures that the stitches glide effortlessly over the needles without slipping.
