Secure hold for loose stitches. The ergonomic shape fits comfortably in the hand - ideal for longer knitting sessions.

Whether you want to knit elegant socks or fine cable patterns. With the wavy needles addiSnake, knitting has never been so pleasant! The shape ensures that stitches stay securely on the needle - without losing any stitches. Beginners and loose knitters in particular benefit from the control. An innovative development with CraSy - Sylvie Rasch. Beginners and knitters with a difficult hand benefit in particular from the ergonomics of the needle, because allowing them to hold the needles loosely and effortlessly. An innovation developed with CraSy - Sylvie Rasch.

- The wavy shape ensures a firm grip
- The needles do not slip out of the stitches – even with a particularly loose stitch pattern
