Product information

Serra

Art.Nr.: serra_kp / Brand: Symfonie Yarns

Sales unit:	100 g
Material:	75% Wolle/25% Alpaka
Length:	ca. 304 m

Symfonie Serra yarn crafted from a luxurious extrafine merino–alpaca wool blend, offers exceptional softness, warmth, and elegance in every stitch. Made with 80% extrafine merino and 20% alpaca, this beautiful sport weight yarn combines the gentle texture and breathability of merino with the plush softness of alpaca. The result is a lightweight yet indulgent yarn that creates fabric with graceful drape and comforting warmth. Designed for makers who appreciate premium fibers and artisanal craftsmanship, Serra brings to every knitting and crochet project.
Hand-Dyed Yarn Shades for Beautiful Color Transitions

Color is where Serra truly shines. Each yarn skein is carefully created through traditional hand-dyeing techniques that

Product information

produce rich tonal depth and smooth color transitions. Available in 23 semisolid shades with subtle tonal shifts, Serra’s hand-dyed yarn palette allows colors to flow naturally across your stitches. These artistic dye techniques ensure that every skein carries its own unique character, adding movement and visual interest to garments, shawls, and accessories. Whether you choose soft neutrals, delicate pastels, or dramatic color gradients, this hand-dyed yarn inspires creativity and expression in every project.
Extrafine Merino–Alpaca Yarn Blend for Luxurious Softness

Serra’s carefully crafted Extrafine Merino–Alpaca yarn blend offers the perfect balance of softness and drape. The extrafine merino wool provides elasticity, breathability, and beautiful stitch definition, while alpaca adds a gentle halo and extra warmth. This combination produces a fabric that feels light yet cozy, making Symfonie Serra ideal for garments and accessories worn close to the skin. The yarn’s smooth texture highlights lacework, cables, and textured stitches beautifully, allowing patterns to stand out with clarity and elegance.
