Product information

Wire ring

Art.Nr.: drathring_ef / Brand: efco

The white wire ring is a versatile crafting and decoration element that enhances creative DIY projects. Ideal for creating wall decorations, dream catchers, or floral arrangements, it offers numerous application possibilities. Thanks to its high flexibility and easy handling, it allows for the creation of individual wall hangings with fabric and ribbons or stable frames for flower arrangements. The elegant white color blends harmoniously with any color concept and supports current trends in the DIY sector. As a valuable addition to any crafting assortment, the wire ring opens up new creative perspectives.
