| | |
|---|---|
| Material: | 100% Wolle |
| Sales unit: | 50 g |
| Length: | ca. 65 m |

# Product information

Unlike traditional yarns that are twisted, Fibreknit is formed from knitting the fibre into a chainette, resulting in a distinctive structured yarn with an airy yetdurable structure, allowing for a lighter, loftier knitted fabric.
- Soft, with a smooth handle, this Sheepsoft blend creates a cosy and warm fabric.
- The construction helps to reduce pilling
- Beautifully textured with wonderful stitch definition
