Product information

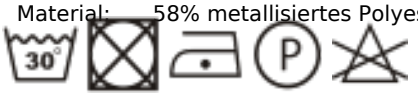

Metallic Spool

Art.Nr.: metallic_spool_dmc / Brand: Anchor

Sales unit: 50 m

Material: 58% metallisiertes Polyester/42% Polyamid

Anchor Metallic adds extra sparkle to your needlework projects. It is a fine, soft hand embroidery thread with a chain-like construction, which is also ideal for making tassels and cords.

This single-ply thread is available in metallic colors on 50 m spools. It is well suited for colorful or gold embroidery, canvas or counted embroidery. Anchor Metallic gives your project a particularly creative, elegant, and glamorous touch.

Used alone or combined with other threads, it looks very precious and adds a touch of elegance to your work.
