Product information

Cotton Natura

Art.Nr.: cotton_natura_dmc / Brand: DMC

Material:	100% Baumwolle
Sales unit:	50 g
Length:	ca. 155 m

Product information

Natura Just Cotton is a high-quality, 100% long-staple cotton yarn.
This combed yarn, with its matte finish, is super soft and exceptionally durable, even after many machine washes.
It is very comfortable and easy to work with, and is particularly well-suited for making home textiles, but is just as suitable for clothing thanks to its softness, high absorbency, and lovely drape.
Available in many nature-inspired colors.
