Thanks to these decorative attaching pads by Prym, bag handles made of straps can be effortlessly affixed onto bags. These stylish attaching pads in various colours not only ensure a high level of bag handle stability and durability, but also complement any self-made bag with a lovely detail. At the same time, they conceal the strap's cut edge. Sewing on the patches is quite simple thanks to the pre-punched sew-on holes. These attaching pads are made of high-quality leather – each package contains four of these practical aids.
