Product information

Fjord

Art.Nr.: 278418_lk / Brand: Pro Lana

Sales unit:	100 g
Material:	70% Wolle/30% Polyacryl
Length:	ca. 350 m

Fjord wool stands for a beautiful, uncomplicated Norwegian pattern and high quality. The soft yarn contains wonderfully soft merino wool and is suitable for knitting larger projects such as Norwegian sweaters and jackets, but also for socks and eye-catching stoles.

Fjord wool is easy to knit by hand and almost automatically results in a beautiful Nordic pattern - without counting the squares. Also ideal for knitting beginners. Our current top seller!
