The “Carita L” organizer insert, made of fine leather, offers a custom-fit, modular storage solution for interchangeable circular knitting needles in sizes 10 through 15, including accessories.

- **Special compartments for large needle sizes:** Custom-designed slots that provide ample space and a secure hold for needles in sizes 10 through 15 without constricting them.
- **Part of the modular Carita system:** Together with the Carita D (small sizes) and Carita M (medium sizes) inserts, it forms a seamless, complete system for the entire range of needle sizes.
- **Integrated zipper pocket:** A practical pocket in the upper section for secure and easily accessible storage of needle threads, scissors, or other accessories.
- **Perfect overview:** Transforms individual tools into a harmonious, structured storage solution for the Carita organizer.
- **High-quality material combination:** Elegant front made of durable leather combined with a hard-wearing, easy-care Polydrill lining.
